SCHOOL MEETING

TRUSTEES OF GRAMMAR SCHOOLS ACCEPT KINDERGARTEN BUILDING PLANS

The Board of Trustees of the City Schools held its regular meeting at the Intermediate School Thursday evening. Architectural plans for the bungalow kindergarten buildings to be constructed at Columbus and Central Avenue School grounds were considered and accepted. These will be of wood and the Board plans to begin advertising so it will be able to open bids by the thirteenth of November. Proceeds from the sale of bonds are now in the treasury and available.

The resignation of Mrs. Martha Sinclair, second grade teacher at the Broadway School, was accepted, and Miss Sparks was transferred from Central Avenue to take her place. Mrs. Mary Archer was appointed to fill the vacancy at Central Avenue.

The Board also voted to call a meeting of the Advisory Committee appointed by the School Mass Meeting for next Tuesday evening to settle certain matters pertaining to land to be purchased. The personnel of the advisory committee is: R. W. Meeker, J. S. Thompson, W. F. Wood, John A. Logan, David Black, H. V. Henry, Ezra Parker, Mesdames A. A. Barton, Lydia M. Kulp and M. O. Ryan.

DIES FROM LUNG CONGESTION

Relatives of Mrs. Anne J. Griswold, whose sudden death was announced in the Evening News of Thursday reports that she showed no signs of illness until Wednesday morning when she had symptoms of a cold which developed into slight congestion of the lungs and she suddenly expired between one and two o'clock Wednesday morning. She was seventy-eight years of age and was born in County Cavan, Ireland. When she was eleven years old she came to the United States. For ten years she had resided in California, five of those years in Glendale. She was the widow of John D. Griswold, who served in the Civil War as a member of the 22d Reg. Connecticut Volunteers, and who died about six years ago at Sawtelle. Deceased leaves one son and two daughters, James Griswold and Mrs. A. H. Brandstetter of this city, and Mrs. Nellie Schwab of New Britain, Conn., also a grandson, George Brandstetter. Funeral services will be held Saturday morning either from the Jewel City Undertaking Parlors or from the Holy Family Catholic Church.

SUMMER IN NEW YORK

MRS. B. O. CARR AND DAUGHTER VISIT ADIRONDACKS AND GO BOATING ON ST. LAWRENCE

Mrs. B. O. Carr and her daughter, Miss Carr, of 136 South Jackson St., who left here in May, have returned to report a delightful summer. They went by auto as far as Iowa and made the rest of the journey by rail. They had planned to return from the middle west in the same way, but learning they would be likely to encounter snow on the transcontinental highways, changed their plans and arrived by the more prosaic steam cars. Most of their summer was spent in New York State. The week of July 4th they were in the Adirondacks as guests of a cousin at Paul Smith's celebrated hostelry. They visited Tupper and Saranac Lakes and many other scenic points. They also had several delightful trips on the St. Lawrence River. Miss Carr is very enthusiastic over the beauty of the eastern scenery, particularly its watercourses. The trip greatly benefited her health and she has returned about fourteen pounds heavier than when she left.

Everywhere they went labor was scarce and high. When it was learned that Miss Carr's father was a builder she was asked to transmit to him an offer of \$8 to \$10 a day to work at Lake Sylvia, which is seven miles from Gouverneur, New York, with a promise of work for two years if he would come; but when Mr. Carr thought of the long, cold winters and the time he would have to lose by bad weather, he decided California, even at a lower wage, was the land for him. Everywhere they went people were interested in California and planning to come here either to visit or stay permanently. A cousin they visited is planning to transfer his home to this land next spring or if not then in the fall. Their itinerary included Ogdensburg, N. Y., Morrisburg, Canada and Battle Creek, Mich.

TRUSTEES' MEETING

PROGRESS IN WORK IN VERDUGO WASH REPORTED AS UNSATISFACTORY

The Board assembled at 8:10 p. m. October 23d. All members were present. The minutes of the regular meeting of October 16, 1919, were read and approved.

City Manager's Association
A communication was read from the City Managers' Association of New York City, requesting that the City of Glendale be represented by its City Manager at the annual meeting of the City Managers' Association, to be held in Indianapolis, October 27, 1919. Communication filed.

Street Work by Private Contract
An application for permit to do street work by private contract, consisting of a portion of a four-foot sidewalk on Columbus avenue south of Stocker street, was presented from Fred A. Tarr. On motion of Trustee Woodberry the permit was granted, subject to the approval of the Street Superintendent.

A communication to the City Clerk from H. A. Payne, County Auditor, was read calling attention to the fact that under the provisions of a new section of the law adopted by the last Legislature, provision is made for any municipal corporation which elects to avail itself of the act allowing the transferring of the duties of assessing and collecting of municipal taxes, to county officers, that the redemption of property which had become delinquent prior to the transferring of the duties in connection with tax collection to county officers, shall be effected through the office of the County Auditor. The communication made a request that the delinquent tax rolls of the City of Glendale on which appear unpaid delinquent taxes be turned over to the County Auditor. Referred to the City Attorney.

Amending Salary Ordinance
On motion of Trustee Henry, the ordinance presented at the regular meeting of October 16, 1919, authorizing the employment of certain employees of the city, was adopted as Ordinance No. 362, "An Ordinance of the City of Glendale amending Section 8, Ordinance No. 356, entitled 'An Ordinance of the City of Glendale fixing the salary of the officers of said city, authorizing the employment of certain employees of said city, and fixing the compensation or rates of pay thereof, and repealing Ordinance No. 334 entitled 'An Ordinance fixing the salary of the officers of the City of Glendale'.

Progress of Verdugo Wash Protection Work

Trustee Woodberry brought to the attention of the Board the unsatisfactory progress of the work being done in the Verdugo Wash by the County Flood Control. In his opinion the work will not be completed in time to afford any protection during the present season unless more progress is made in the near future than has been accomplished so far. On motion the matter was referred to Trustee Woodberry to take up with the authorities in charge of the work.

The City Attorney made a report on the matter referred to him in regard to the request of the County Auditor, advising the Clerk to comply with the request.

FISHING AND HUNTING TRIP

Blake Franklin has returned from a week's mountain outing with his son, Donald, and Mr. Hilliard of Los Angeles. They drove to Lyons Springs where they left their automobile and then with a pack mule went over to the Sespe by following the north fork of the Matillaja River, their objective being the upper Sespe, about sixteen miles from Lyons Springs. The altitude of the pass was 5500 feet and of their camping place on the upper Sespe about 4600 feet. Naturally the nights were cold and crisp, with ice every morning, but the days were delightfully bright. The rains have freshened everything and the scenery was beautiful. They found the gray timber squirrels very abundant, but the fishing was only fair. They brought home, however, a nice mess of trout.

FIRE DEPARTMENT APPRECIATED

Mrs. M. L. Packer, of 208 1/2 West Chestnut street, is anxious to give honor to whom honor is due. In this case it is the Glendale Fire Department which was called to her home early in the afternoon of Wednesday. An overheated electric iron had started a blaze which threatened the house, but by quick work with a hose she managed to get it extinguished just before the engines arrived. She, very much appreciated, however, their prompt response to call.

LABOR FORTIFYING FOR FIGHT

GOMPERS REVEALS PROPOSED CONFERENCE OF INTERNATIONAL LABOR UNIONS AT WASHINGTON

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 24.—President Gompers of the American Federation of Labor in a telegram to the Illinois State Federation of Labor revealed that a conference of the heads of all international unions affiliated with the American Federation has been called to meet soon in Washington.

Gompers' telegram answered one from the Illinois State Federation of Labor suggesting a convention of the American Federation to perfect an offensive and defensive alliance with the Railway Brotherhood.

It is considered here that Gompers' action means that organized labor is strengthening its ranks for a finished fight in the steel strike and other present or pending outbreaks.

"NATIONALIZING" INDUSTRY

INTERPRETED TO MEAN GOVERNMENT OWNERSHIP WITH WORKERS HAVING VOICE IN MANAGEMENT

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 24.—With some prospect seen that Secretary of Labor Wilson may avert the coal strike, representatives of the miners and the Railroad Brotherhoods today began conferring on means of nationalizing their industries. It was pointed out that by "nationalization" they mean government ownership with the workers having a voice in the management.

Sherman Vanhorn of the miners' committee, declared that the conference hoped to effect an alliance between the Brotherhood and the miners.

At noon today Secretary of Labor Wilson revealed that the settlement of the coal strike will be put up to the president. He met representatives of the miners and employers this morning and they granted his plea to remain in session until four o'clock this afternoon so he could lay the situation before President Wilson. This followed the rejection of Secretary Wilson's four suggested bases of settlement.

TREASON PUNISHED

PIERRE LENOIR WHO WAS IMPLICATED WITH BOLA PASHA, SHOT BY FRENCH FIRING SQUAD

(Special Service to Glendale Evening News)

PARIS, Oct. 24.—The firing squad today executed Pierre Lenoir, who was implicated with Bola Pasha and Joseph Caillaux in charges of treason. Three newspaper men who secretly entered the enclosure to witness the execution, were arrested.

SPECIAL SESSION OF LEGISLATURE

STATE SENATOR BROWN URGES THAT IT CONSIDER REMEDIES FOR HIGH COST OF LIVING

(Special Service to Glendale Evening News)

LOS ANGELES, Oct. 24.—State Senator W. E. Brown of Los Angeles today wrote the Governor urging that the high cost of living be one of the subjects considered at the special session of the Legislature called to consider women's suffrage. He declared that the Cartwright anti-trust law can be made effective to prevent profiteering with but few amendments.

SENATE ASKS FOR EXPLANATION

CALLS UPON FEDERAL TRADE COMMISSION FOR ITS AUTHORITY FOR ITS RECENT ATTACK ON WASHBURN

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 24.—The Senate passed resolutions today asking the Federal Trade Commission who it was that authorized its recent statement attacking Senator Washburn of Indiana.

GARY DECLARES FOR "OPEN SHOP"

AMERICAN IRON & STEEL INSTITUTE COMMENDS HIS WORK AT INDUSTRIAL CONFERENCE

(Special Service to Glendale Evening News)

NEW YORK, Oct. 24.—Elbert Gary, head of the United States Steel Corporation addressing the American Iron & Steel Institute today, declared: "The open shop is to the best interest of all." He said that all recent demands of labor unions have tended to domination of the shop by labor leaders. He also declared that eighty to ninety per cent of all labor is unorganized.

Gary was given a five-minute ovation and resolutions were passed commending his work at the Industrial Conference.

PRESIDENT SLOWLY GAINING STRENGTH

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 24.—The president's physicians issued a statement this morning saying:

"The president continues slowly to gain strength. There was nothing additional to report this morning."

SERVICE MEN MEET

GATHER AT CLUB HEADQUARTERS ON BRAND AND ARE ADDRESSED BY LIEUT. FITZ

The local organization of ex-service men, which expects soon to be incorporated as the Glendale Post of the American Legion, met Thursday evening in the club rooms which have been leased on Brand boulevard over the Bank of Glendale. It was a well-attended and enthusiastic meeting which was addressed by Lieut. Fitz, first vice-president of the State Organization of the American Legion. He gave a report of the aim and purpose of the Legion. These were embodied in a series of resolutions which will be sent to this post and probably published for the general information of persons interested. Officers reported that application had been made for a charter authorizing the formation of a Glendale post and this early application will make the local organization a charter member of the American Legion.

Announcement was also made of a dance to be given by service men.

THEODORE ROOSEVELT

HE WAS FOUND FAITHFUL OVER A FEW THINGS AND WAS MADE RULER OVER MANY

John Hyde Braly, local chairman of the Roosevelt Memorial Fund Movement, predicts that Glendale will rise to the occasion and show with her dollars and cents her appreciation of the great President who was so glorious an example of the best type of Americanism and who so splendidly served the country he loved. One of the finest tributes to Roosevelt—the man, is found in the dedication preceding a biographical sketch written by Herman Hagedorn, Jr., from which the following is taken:

"He was found faithful over a few things and he was made ruler over many; he cut his own trail clean and straight and millions followed him toward the light. He was frail; he made himself a tower of strength. He was timid; he made himself a lion of courage. He was a dreamer; he became one of the great doers of all time. Men put their trust in him; women found a champion in him; kings stood in awe of him, but children made him their playmate. He broke a nation's slumber with his cry, and it rose up. He touched the eyes of blind men with a flame that gave them vision. Souls became swords through him; swords became servants of God. He was loyal to his country and he exacted loyalty; he loved many lands, but he loved his own land best. He was terrible in battle, but tender to the weak; joyous and tireless, being free from selfishness; clean with a cleanliness that cleansed the air like a gale. His courtesy knew no wealth, no class; his friendship, no creed or color or race. His courage stood every onslaught of savage beast and ruthless man, of loneliness, of victory, of defeat. His mind was eager, his heart was true, his body and spirit, defiant of obstacles, ready to meet what might come. He fought injustice and tyranny; bore sorrow gallantly; loved all nature, bleak spaces and hardy companions, hazardous adventure and the zest of battle. Wherever he went he carried his own pack; and in the uttermost parts of the earth he kept his conscience for his guide."

CERRITOS P-T. A. BUSINESS

Members of the Executive Board of the Cerritos Parent-Teacher Association met for the transaction of business and were very pleasantly entertained at the home of the president, Mrs. Eustace B. Moore, Wednesday afternoon of the present week. It had been beautifully decorated by the hostess with masses of red dahlias.

As the courtesy chairman of the association, Mrs. Rice, had resigned her office because she is moving to Gardena, her place on the Board was filled by the appointment of Mrs. Pittinger. Mrs. Florence Blair was made membership chairman, and four delegates were named to represent the organization at a district conference in Los Angeles. The secretary was instructed to address a letter of sympathy on behalf of the Board to Mrs. Anna Curtis, teacher of the 8th grade, whose mother is very ill.

At the close of the afternoon dainty refreshments were served by the hostess, her guest list including Mr. and Mrs. Ernest Harwood, Miss Hazel Small, Miss Maybelle Douglas, Mesdames Richardson, Pittinger, Rice, Tuttle, Ambrosch, Atwood and A. H. Brown.

CHANGES IN OHIO

DR. I. H. DUFFEE, RETURNED FROM BUCKEYE, IMPRESSED WITH IMPROVEMENTS

Dr. I. H. Duffee, of 208 South Brand, who left here for the east August 20th, returned Saturday night feeling much better than when he went away. He says he got rested and that the trip did him a great deal of good. He went first to Chicago where he lived for a time and where he was graduated from a medical school. From Chicago he crossed the lake into Michigan visiting friends at Hartford, Bloomington and Coldwater. Cleveland and other points in Ohio were his next objectives. His father's farm at Mentor, Ohio, where he was born, is still in the family and is now the home of his sister and her family. He found everything there changed wonderfully. Cleveland is getting to be such a great city it is growing out into the country, he says. On Saturdays one has to be careful in crossing the highway which the farm faces on account of the heavy traffic there bent on pleasure as well as business. No longer do they have to send crops to market. The market has come to them and sales are made from stands erected along the highway. The paving of roads is going on there as here and they seem to be thoroughly imbued with western ideas along that line.

He declares that everything is booming in a business way and prices in all lines are higher than here, even the price of labor of which there is a considerable shortage.

One of the places he visited was the graveyard in which his dead lie buried. In walking around and looking upon the tombstones he found more friends than he met anywhere else in his travels.

When he got back to Chicago and Cleveland and found how dirty they are he was glad to be a Californian. He says it renewed his content with his lot.

EASTERN STAR PARTY

The Five Hundred party given Thursday evening by Glen Eyrie Chapter of the Eastern Star was such a success that the ways and means committee will be tempted to have a series of them. Seventeen tables were filled and all players testified to their enjoyment. Four prizes were bestowed for the highest scores, the first ladies' prize (a picture), going to Mrs. Shremp, the second (an embroidered hot rolls cosy), to Mrs. Butterly. Mr. Vesper received the first gentlemen's prize (a silver pencil), and William Moore the second trophy (a fine pack of playing cards). The chapter will clear about forty dollars. The hall was beautifully decorated with Halloween festoons in black, white and yellow which harmonized well with the dark interior. Mesdames C. O. Pulliam, A. M. Beaumont and Miss Mildred Lyon were the committee on decoration.

TEST CONTESTS

BOY SCOUT TROOP NO. 4 ARRANGES FOR SERIES OF COMPETITIVE EVENTS

Boy Scout Troop No. 4, under Scout Master Blanford, is insuring its members against any flagging of interest by arranging for a series of contests which will begin next Thursday. They will be open to every boy in the troop and will include for that night the "boiling water test." In this each boy is given two matches, an axe, a knife, a block of wood, and a receptacle containing a quart of water. The contest is to see which boy with this material can boil water first. It means that kindling must be shaved off, a successful fire must be laid and built and ignited with the two matches, that the receptacle containing the water must be so placed that it will get the full benefit of the fire and not tip over. It will readily be seen that the test calls for speed, skill and efficiency. First, second and third place credits will be given. The first place will count five points, the second three points, and the third one point.

Next week there will be a contest in "scout pace." This calls for fifty yards at a trot and fifty yards walking, regulated at such a pace that a boy will do a mile in twelve minutes. The boy who does it in nine minutes will be just as far off as the one who does it in fifteen minutes. The idea is to have a regular pace. First, second and third place credits will be given for this.

The contests will probably end in January and at the end of the eight or ten tests the troop will provide and award prizes to the boys who have made the best records in all the events.

ELECTIONS COME HIGH IN GERMANY

BERLIN. (By Mail.)—Democracy comes fairly high in Germany. While she has no campaign expense laws like America, she is already learning that elections are costly as evidenced by a compilation of the costs for the national assembly and Prussian land assembly elections some months back. The expense against the government was more than 1,000,000 marks, while in the parties involved the expense was more than 6,000,000 marks.

These expenses are likely to be vastly increased when the elections for the Reichstag occur. So far, no definite dates have been set for these, but the present regime is striving hard to get the elections postponed to next spring on the theory that elections this fall or winter would only make for fresh unrest.

Both the right and the left are messing funds, however, so as to make a strong campaign against the moderate regime, and the new tests will furnish one of the bitterest campaigns ever waged in Europe.

WAGE SCALE

BAKERSFIELD, Calif., Oct. 22.—Acceptance of the new wage scale for oil field workers has been made by practically all of the oil field unions and all possibility of its rejection has passed, according to leaders of the oil men.

The scale was established at Santa Barbara where the concluding hearing of a series was held which covered all oil-producing regions of the country by the president's oil field's mediation board. It provides a sliding scale which amounts to a dollar per day increase for oil fields, refinery, and pipe-line employees. It is retroactive to January 1, 1919.

When the new scale was announced there was considerable dissatisfaction expressed, but the mediation board delegated Walter J. Yarrow, Kern county oil man, to visit all local unions in the state and explain the wage award. After the explanation Yarrow said, the unions have accepted the new scale by practically unanimous vote.

Section 4. The polls for said election shall be open at six o'clock of the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour of closing there are any voters in the polling place, or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the

Miss Myra Bartlett has been the
guest of Mrs. Lydia Border this
week.

William Chappell came up from
Sawtelle the early part of the week
to visit with old friends in Glendale.

The house at 1261 South Maryland
avenue, owned by Mr. Adams, has
been sold by him to his son who
plans to take possession about the
first of November.

Mrs. Elmer Glassburn, now resid-
ing in Los Angeles, was a dinner
guest of Mrs. Strong of Palmer ave-
nue one evening this week.

Members of the Glendale Com-
munity Sing are very much set up
over the mention of Glendale in an
article on community singing pub-
lished in a recent number of the La-
dies' Home Journal.

Mrs. Hazelitt of Los Angeles, who
for a number of years was connected
with the State School for Girls at
Ventura and who spent the summer
in the east, was the guest Thursday
of Mrs. Delos Jones of South Jack-
son street.

Mrs. Clarence Webb of 415 East
Elk street will send Saturday to the
bench show in connection with the
Live Stock Exhibition at Exposition
Park the two Pekingese dogs she
showed with such success at the San-
ta Barbara Show.

Mrs. Marian Webb, widow of
Lieut. Henry Webb, has rented a
house on Harvard street between Or-
ange and Central and will make her
home in Glendale, where she will be
near her mother who resides on Co-
lorado near Central.

Mrs. M. A. Anderson of Isabel
street has received a box of enormous
and very beautiful pomegranates
sent to her by her husband from the
Palo Verde district. They are as
large as a small squash and one
which was weighed tipped the scales
at a pound and a half.

Mrs. C. C. Butterfield of Ventura,
who came from there to attend the
funeral of her nephew, Lieut. Henry
Webb, after spending a couple of
weeks with friends here, left Wed-
nesday for Illinois, where she will
visit her daughter, Mrs. Sinclair, who
formerly resided in Glendale and
who before her marriage was known
as Louise Butterfield.

C. E. Russell of the Glendale
Hardware Company has moved
again. He sold his property on East
California avenue and purchased a
house at 345 West Lexington to
which he moved Thursday.

J. J. Banta, the Broadway real es-
tate dealer, is returning today from
a sojourn of several days at his ranch
near Lone Pine.

Willard Learned of the class of
1916, Kenneth Belden of 1917, and
a fellow student from Occidental,
were special guests and speakers at
an assembly at Glendale High at the
fourth period Thursday. Willard
talked on the advantages of attend-
ing college, Kenneth on "Ambition,"
and the other man in the guise of a
negro minstrel, entertained with fun-
ny stories. They were here to adver-
tise a musical comedy.

Proof of the great esteem in which
Shelby McCann was held was fur-
nished by the many friends who came
to Glendale from other places where
the McCann family is known to at-
tend the funeral services. The list
included L. S. Wray of Azusa, Mr.
and Mrs. Earl Dunn of Los Angeles,
Mr. and Mrs. L. C. Coombs of Haw-
thorn, Cal., a large delegation from
the East Side Christian Church, Los
Angeles, fifteen members of the Haw-
thorn Parent-Teacher Association, of
which Mrs. McCann was president
for two years, Mr. and Mrs. Lewis of
Beverly.

Mr. and Mrs. Delos Jones and lit-
tle daughters, Esther and Gladys, go
to Pasadena Friday night for a Hal-
lowe'en party and week-end visit
with Mr. and Mrs. W. O. Thompson
and daughters, former residents of
Glendale. It is to be quite an affair
with fortune telling and all the other
stunts connected with Hallowe'en.
Mrs. Jones is taking one of the Ber-
keley correspondence courses on veg-
etable gardens and home floriculture.
She has almost recovered from the
severe operation she underwent sev-
eral months ago and is anxious to
get back to her loved work among
green things and may buy a larger
place that she may have sufficient
scope for operations. She is getting
ready to do things in earnest next
spring.

E. Bartlett on North Brand boule-

GLENDALE SANITARIUM NOTES

Rev. and Mrs. J. O. Corliss, who
are now living in Escondido, but who
formerly resided here, are guests at
the Glendale Sanitarium and will be
there for several days.

Elder W. F. Martin arrived Wed-
nesday. He was formerly president
of the Southeastern California Con-
ference, but is now connected with
the General Conference and travels
all over the western part of the United
States. He is considering the
purchase of property here and locat-
ing permanently in Glendale.

Dr. H. G. Westphal is in New York
taking post-graduate work and
writes that he is longing for Califor-
nia. On account of strikes it is al-
most impossible to get any laundry
work done, transportation is uncer-
tain, and things are generally un-
pleasant there, he says.

Dr. P. S. Kellogg, who was in U.
S. Army service during the war,
spent a night at the "San" this week.
He has bought a place in Glendale
with the intention of locating here
permanently and retiring from prac-
tice.

Mr. Eggers, a former resident of
Glendale, has been at the Sanitarium
for a week. He is now living in
Beaumont, with Mr. and Mrs. P. H. G.
Wessels.

A recent arrival at the Sanitarium
is Senator John T. Hughes, of Tuc-
son, Ariz., a prominent man in that
state.

P. T. A. CONFERENCE

Quite a group of ladies from this
city attended the conference of Pa-
rent-Teacher Associations of the
first district in the Broadway Build-
ing, Los Angeles, Thursday after-
noon. These conferences are held
three times a year and at them the
different departments of work are
presented. The departments consid-
ered Thursday were philanthropy,
membership, education and child la-
bor. Something over an hour was
given to the discussion of problems
brought before the conference by the
different associations represented. It
was a very interesting session. The
Glendale ladies felt well repaid for
their attendance and received many
compliments for the work their as-
sociations are doing. Mrs. Knaus,
Chairman of Education in the Glen-
dale Federation, presented the work
of the Mutual Benefit Reading Circle
and many questions were put to her
after the meeting as to the manner
in which the circles are carried on.
The Glendale delegation included:
Mesdames Aichels, R. C. Horner, A.
H. Brown, Eustace B. Moore, E. L.
Young, H. V. Henry, N. M. Knaus,
Arthur Brown, L. W. Sonntag, C. E.
Hutchinson, George Herald, Florence
Kurtz, Myron Barnett, Harry Speck,
W. R. Blair and A. A. Barton.

A very fine musical and literary
program was given under the au-

Wednesday evening, which was en-
joyed by a large audience. Mr. and
Mrs. Schumacher, returned mission-

talks and exhibited interesting curios
brought from the Celestial Kingdom.
The portion of the program given by
local talent included a solo by Dr.
Joseph Marple, solo by the wife of
the pastor, Mrs. Marion Smith, duet
by Misses Emily Kopp and Helen
Muhleman, piano solo by Mrs. Tuttle,
saxophone solo by Miss Schout. At
the conclusion of the program, ice
cream and cake were served.

SHAKESPEARE SECTION

The Shakespeare Section of the
Tuesday Afternoon Club was enter-
tained this week by Miss Scott at
the home of her niece, Mrs. A. S.
Chase, on Riverdale Drive. Sixteen
ladies were present including four
new members. "Othello" is the sub-
ject of study and the program includ-
ed an exceedingly interesting paper
by Mrs. Lyons on the life and history
of the Moors. Following the pro-
gram the ladies were summoned to
the dining room where delicious hot
doughnuts and coffee were served.

RETURN OF CAPT. LAURENCE

Captain Ernest Laurence has re-
turned and will take up his duties
as a member of the Glendale police
force the first of the month. It will
be remembered that he was granted
a six months' leave of absence that
he might take up his old occupation
at which he is an expert, of sheep
shearing. During the time he has
been away he has covered a wide cir-
cuit extending from Idaho in the
north to Arizona and Utah in the
south. He does not say how large a
fortune he has accumulated, but his
work has undoubtedly been more
profitable than that of a Glendale
cop.

TUJUNGA

The venerable mother of Mrs. C. C. Niemeyer had the misfortune to fall last week and was so severely injured that she is confined to her bed, and unable to help herself at all. There seems to be no bones broken, but the jar of the fall has produced a partial paralysis of the lower limbs. On account of her advanced age the recovery will be slow.

The Woman's Club will hold its regular meeting at Bolton Hall Oct. 30th at 2 p. m. Mrs. Yarnell will have charge of the program and will discuss "The Best Movies of the Month." This will be followed by the usual lesson in Political Economy.

Sunday was another busy day at Tujunga, and a number of lots were sold. A number of parties are busy clearing their lots, and some are already putting up houses; carpenters are badly needed.

Mrs. Olliver of Long Beach was in Tujunga on Tuesday looking for a home place and was well pleased with the southern section among the oaks.

Miss Esther Johnson of Los Angeles was in the village on Tuesday looking after her interests here.

Mrs. Cranston has removed from the C. H. Clark house to the one formerly owned by Mr. Frost on Sunset Blvd.

Elmer Beesmyre, who has been very ill for the past week, is reported better today.

The fine display of fruits and vegetables in the window of Dean & Co. has attracted much attention of the prospectors for homes here. All were grown in Tujunga, and although late in season there is a good showing.

Mr. Wright of Michigan Highway has a new 1920 Ford car with the new self-starter, that has made its appearance with the new cars, and is said to be a success.

Miss Regina Leckie, who went to San Francisco to remain with her aunt for the winter, writes that she has a fine position with a large wholesale firm and likes her work very much.

Mrs. Ash and Mrs. Leckie have returned from Los Angeles and Mrs. Leckie's health is much improved.

Mr. and Mrs. Wright motored to Lankershim on Sunday to visit with his people.

Miss Emma Kraft is exhibiting some of her fine Nubians at the fair in Los Angeles this week, five in number, and we are sure she will receive some prizes on them.

The former home of Mr. Burlingame on El Centro was sold this week by Dean & Co. to a man of Decatur, Ill., who will make his home here.

The people living along the highway are wondering how long it will be before the sheriff's office will give

IS THE NATIONAL INCOME ENOUGH?

While the government is investigating the steel strike, and planning a general conference of employers and employees, it might well assign a commission of competent investigators to ascertain the probable income of the people of the United States for one year.

The reason for such an inquiry is this: There seems to be a prevalent impression that there is enough wealth produced in the United States every year to give every family a large income, if only it were more fairly distributed. As against this impression is the opinion of a large number of economists that we must produce more if we are all to be better off.

The question is, is our big problem one of distribution or one of production?

The most careful work so far done on this subject is probably a volume on "Wealth and Income of the People of the United States," by Prof. W. I. King of the University of Wisconsin.

sin. The book was written before the war and it had to use fragmentary statistics that were available. It was the author's conclusion that if all rent, interest and profits were added to wages, the increase in wages would be about 25 per cent.

Of course such a procedure, aside from its moral aspects, would strangle industry. There would be no incentive to save or to organize a business or to extend existing industrial operations. But the point is, if Professor King is correct, the amount of the present product is far from sufficient to meet demands for a general moderate increase in income.

Increased production is the big thing needed before there can be increased well being for the whole people.

With the information from the income tax now available, it ought to be possible for a commission of com-
